HON[®]
Smart now. Smarter later.

Introducing ilira[®]-stretch.

A revolutionary new material is changing the way people work.

- Open-knit material allows airflow and breathability for more comfort
- Multi-directional stretch material is resilient and retains its tension
- Moves with your body
- Twist, tilt, bend, lean—all in a fluid motion
- Non-abrasive so it won't damage your clothing

Form:

Attractive in any location.

- Modern and stylish—the perfect chair for every office environment
- Light and airy in appearance, yet solidly constructed
- To accommodate your workspace, upholstered or plastic back options are available on standard and low-back models
- Beautifully coordinated, stacking guest chairs available

Fast... Easy... Simple... One-time personalization.
