**HON**

Combine 38000 Series products with Flagship® storage components and HON seating for a private office that looks as good as it performs. Desk Shell 38935, Single Pedestal Credenza 38855L, Bridge 38210 and Stack-on Unit with Flipper Doors 38244N. Charcoal finish with "K" pulls. Worksurfaces in Gray Tigris laminate. 800 Series Lateral File 895LS in Charcoal finish. Alaris® Seating 4242 and Alaris Guest Seating 4245.

**Pull Styles.** Flagship pedestals used in 38000 Series modular desks, returns and credenzas are available in the same four pull styles used throughout other product lines from The HON Company. So it's easy to add matching furniture, now and in the future. 38000 ¾-height pedestal models are standard with the "K" style pull only.

## Built to impress.

The clean lines and soft curves of the 38000 Series create a timeless aesthetic that stylishly accommodates people, space and productivity needs. The broad range of components, finishes and laminate options gives you tremendous planning flexibility as well as the ability to keep pace with business growth and change. Impressive looks, impressive performance, impressive return on investment ... no wonder 38000 Series is one of America's best-selling steel desking solutions!

**Radius Edges** on the front and rear of each desktop provide a polished, professional look while enhancing user comfort.

**Wire Grommets** on desktops and end panels help keep surfaces clutter-free and facilitate cable connections between desks.

## Built to adapt.

Modular 38000 Series components let you create a wide variety of workstation configurations to support individual job descriptions, preferred work styles and fixed space constraints. It's easy to combine components in new ways to adapt to changing business conditions and fresh design visions – so productivity and efficiency remain high even when you're adding new people or remodeling your office space. Modular, freestanding, flexible and versatile ... 38000 Series is perfect for the way your business works.

**Multimedia Organizer**  
nestles into stack-on  
storage units and open  
shelves to accommodate  
CDs, documents and binders.

A manager who is responsible for a lot of paperwork might require extensive workspace area and personal storage capacity as well as a space for interacting with co-workers and visitors. Peninsula 38942, Bridge 38210, Corner Unit 38928, Return 38945R and Stack-on Unit 38242N with Flipper Doors 38247. Tan finish with "N" pulls. Worksurfaces in Bourbon Cherry laminate. Flagship File Center FC18730LN and Mobile Pedestal 18720N in Tan finish with "N" pulls. Mobius® Seating 4703 and Mobius Guest Seating 4706.

Built to  
maximize.

38000 Series defines space and enhances privacy in today's open office environments. Double pedestal desks, "L" stations and "U" configurations can be placed back-to-back, front-to-back or in a quad layout to make the most efficient use of your valuable real estate. Stack-on units provide 65" of visual separation, so distractions are minimized and workers can focus on the tasks at hand, thereby boosting productivity.

Stack-on storage units and open shelves can be specified with tackboards to make task-oriented workspaces even more task-efficient. Desk 38933, Return 38944L and Stack-on Unit 38243N with Flipper Doors 38248. Light Gray finish with "R" pulls. Worksurfaces in Grey Tigris laminate. Flagship Mobile Pedestals 18723R and Freestanding Pedestal 19820R in Light Gray finish with "R" pulls. 7800 Series Seating 7823.

**Working Together.** Add even more functionality to your 38000 Series workstations with Flagship storage solutions. The two product lines are visually and dimensionally compatible, so you get a single, unified look along with increased layout flexibility.
