

94000 Series

STATELY, TRADITIONAL ELEGANCE DIDN'T GO OUT OF STYLE WITH THE 18TH CENTURY. ONLY POWDERED WIGS DID. 18th century elegance meets 21st century engineering. Sort of as if the Declaration of Independence was created in a word processing program. Matching conference tables and coordinating chair collections round out this distinguished family. Founding Fathers not included, however.

Laminate components 29½" h – unless noted

- A. Double pedestal desk, 2-2, box/file, 72" w x 36" d.**
