Makes the perfect impression.

In business, image is critical. And the Cambia™ chair from The HON Company makes the right first impression without breaking your budget. Choose from various back and arm options—not to mention a wide selection of beautiful fabrics and finishes—for a crisp, contemporary look that welcomes visitors in your own special way.

Customizable

- Three back and four arm variations allow you to shape Cambia to best fit the look of your business.

Compatible

- In a private office facing a desk or grouped together to help create a public reception area, Cambia always looks and feels inviting no matter how or where it's placed. It also complements a wide variety of HON furniture designs.

Comfortable

- Cambia offers a larger seating surface than most guest chairs to maximize comfort.

Stylish

- Right for today and tomorrow, Cambia features a multitude of attractive fabrics and finishes to choose from. Plus, two exposed wood back options add a more contemporary look without sacrificing comfort.
