

F³ Series™ | Seating

HON[®]
Smart now. Smarter later.

F³ Seating: Fit, Form, Function.

Comfortable...
Attractive...
Hassle-free...
Finally, an easy decision.

Distinctive styling, custom features, superior design—F³ is the ultimate seating experience. And for all its innovations, the intuitive controls make it easy to personalize and use. Designed for a range of work environments, it will adapt as your needs change—all at a price that makes good business sense.

Introducing ilira[®]-stretch.

A revolutionary new material is changing the way people work.

- Open-knit material allows airflow and breathability for more comfort
- Multi-directional stretch material is resilient and retains its tension
- Moves with your body
- Twist, tilt, bend, lean—all in a fluid motion
- Non-abrasive so it won't damage your clothing

Fit:

It's all about **comfort**.

- Designed with passive ergonomic adjustments that support your every move, resulting in a healthier sit
- Lumbar support helps to prevent stress to the spine, hips and neck
- Choose ilira®-stretch—an innovative multi-directional stretch material that responds to your every move
- Seat depth adjusts providing a personalized fit for a wider range of people
- Arm-height and width adjust to a perfect fit
- Guest chairs pivot to flex and move with you

Form:

Attractive in any location.

- Modern and stylish—the perfect chair for every office environment
- Light and airy in appearance, yet solidly constructed
- To accommodate your workspace, upholstered or plastic back options are available on standard and low-back models
- Beautifully coordinated, stacking guest chairs available

Function:

Simple, easy, **hassle-free.**

- One-time adjustment for a custom fit
- Seat and back responds intuitively keeping the seat level when reclining; resulting in less stress and increased comfort
- Simple height adjustments accommodate nearly all individuals
- Guest chairs with arm option can suspend from worksurface for easy housekeeping; available with specially-designed translucent glides or all-surface casters

Fast... Easy... Simple... One-time personalization.

F³: Total seating solutions.

Renowned Designer. "F³ is like nothing else on the market today. Every detail has been addressed...It's the evolution of seating." Conrad Marini, Designer.

Industry Leader. The HON Company recently made history by becoming the first furniture manufacturer to have its products certified Indoor Advantage™ Gold by Scientific Certification Systems (SCS).

Comfort Matters. The innovative dual-pivot mechanism and back lumbar feature reduce fatigue and provide superior back support and comfort. F³ has received the endorsement of the World Chiropractic Alliance (WCA) for superior ergonomic design.
