EASE OF CLEANING

Sonic 6508

Sonic is ideal for meeting rooms, offices and reception areas; food facilities, lecture halls, and just about anywhere. The molded seat and back offer exceptional durability and ease of cleaning. The upholstered seat and back options provide comfort and dignity for upscale environments. Four shell colors are available (shown opposite) and frames are offered in black and tungsten epoxy or chrome. Sonic Beam seating also available to compliment this series.

Sonic 6514

Sonic 6574

Stylish and affordable public area seating

Sonic beam is a durable and affordable way to furnish any public seating or reception area. A choice of polypropylene or upholstered seats and backs offer the user the opportunity to select the treatment that is right for any application. Seating and table units can be placed in any order along the beam and upholstered inserts are replaceable for long term maintenance. Free standing Sonic Stacking chairs are available to compliment these groupings.
