Personalized Workspaces

From private office to open floor plan, Valido allows you the opportunity to create elegant, individualized spaces that really get down to work. With a broad selection of desking and conference tables, this line combines the durability of laminate with a decidedly upscale impression.

The top is extra thick, and features contemporary “ribbon” edging. Personalize the sophisticated look with pre-cast drawer pulls in black, brushed brass or satin nickel finishes available in two distinctive motifs.

Individual Workspaces

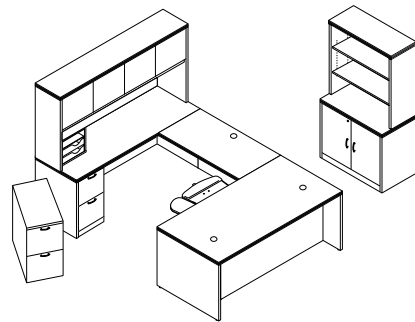

Valido caters to how you work. Start with a desk. Add a bridge, credenza or return for additional workspace. Choose from a wide range of storage solutions that maximize available space and put your work tools just where you need them. Add some guest seating for impromptu meetings with staff and clients. Then enjoy. Valido – just the right blend of durability, practicality and good taste.
